Race From Hermosillo, Son. To Phoenix, Planned For State Fair.

Phoenix, Ariz, May 20 .- Preliminary plans for a 400 mile motorcycle race from Hermosillo, Sonora, to Phoenix,

ending at the Arizona state fair

grounds in November, have been for-

mulated by Dr. Lorenzo Boldo, secretary Tom Shanguessy, of the fair commission, and other local enthusiants. One of the object will be to demonstrate that Sonora is free of the guerilla warfare and revolution which still is settling in other parts of blexico. It is argued that such a sporting even, which would attract attention all over the United States and Mexico, would tend to cament friendly relations between Arizons and Sonora.

friendly relations between Arizona and Sonora.

Ives G. Lelevier, Mexican consul at Douglas, was in Phoenix a few days ago and he promised Dr. Boide every support possible. Dr. Boide expects to talk over the race with civil Gov. Adolfo de la Huerta, of Sonora, at Douglas within two or three weeks.

Part of Dr. Boide's plan is to have each rider carry a latter from Gov. de la Huerta to Sov. Hunt, of Arizona. The winner will hand his letter to Gov. Hunt at the fair grounds.

From Hermorillo to Nogales, which will be the first night control, is 20 miles. It is about 170 miles from Nogales to Phoenix.
